Start: Parking of the playground

GPS: 43.671796N / 4.235628E

Roadmap

Be careful with your children, especially in non-pedestrian areas. The course is carried out under your full responsibility. Randoland and the Tourist Office are not responsible in the event of an accident.

Start the walk in the parking lot from the playground. Turn right on Boulevard Louis Blanc. Observe the house at n° 12

1. Continue straight ahead then at the crossing with Avenue Emile Jamais turn left then right on Boulevard Gambetta. Notice the facade of the Laperan hall

2. Continue on the boulevard and take the second left into Place Ledru Rollin. Observe the church, then turn left into rue Emile Zola

3. Take the first on the right rue Bernard Lazare then turn left into the Androune (dead end) which passes to the left of number 12. Then turn directly to the right

to reach Place Mireille. Then go left, then right to the arenas. Observe the house at number 12

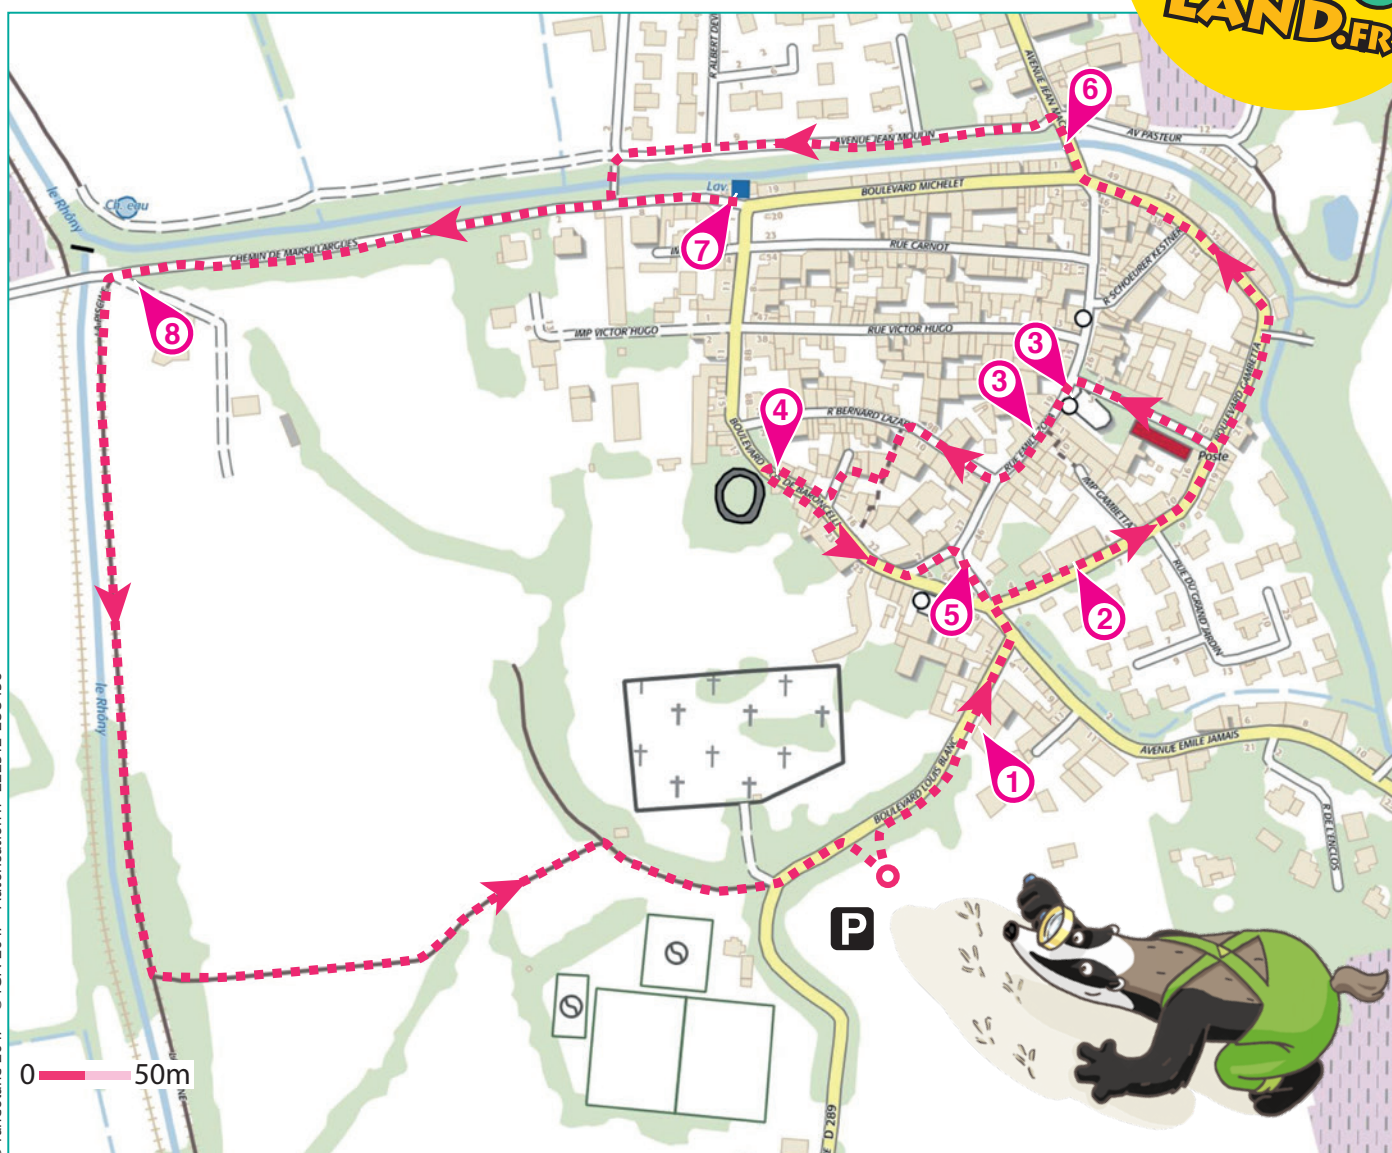

4. Turn back, continue straight ahead to see the Protestant temple on the right

5. Turn left on Place André Peyre and then directly to the right to find Boulevard Gambetta. Continue on the boulevard for 400m then cross the Pont du Grès

6. After the last one, turn left on Boulevard Michelet. Continue up to the footbridge, cross the river and turn left towards the washhouse

7. Turn back, continue straight on the Chemen de Masillargues then before the bridge take the left track which runs

along the river 8. Continue on the road for 400m then take the first left towards the churchyard. At the crossroads with the other road, turn right and then left on the road to return to the car park. End of the walk.

Le Cailar

Inspector Rando goes for a walk. But where is he heading ?
 Make your way using the information on the back of this page. Whenever the inspector Rando finds a candy in his way, color, in order, the frame at the bottom of the page.

Be careful, he must never go back.

At the end of the process, note in the answer box the number of colored candies.
 You can check your answer at the Tourist Office or on the website www.randoland.fr

You can go to the Tourist Office or visit www.randoland.fr to check your answer (Quiz code 3005901P).

You will discover the first stop of the Inspector Rando.

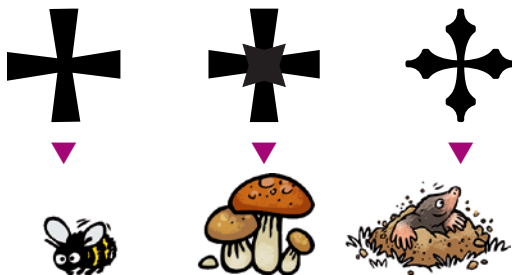

2 Laperan hall

What shape does the sundial correspond to?

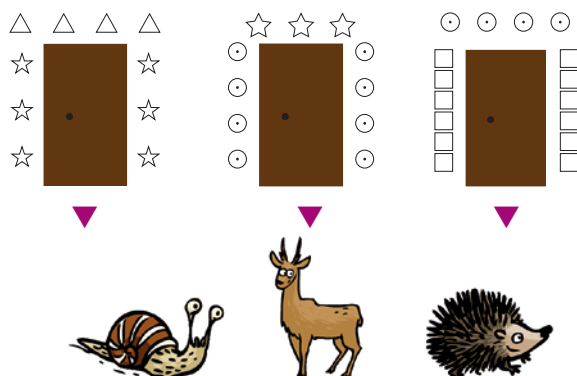

3 The church

Which cross shape corresponds to the one engraved above the front door?

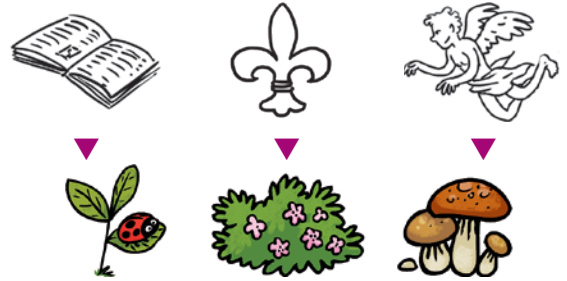

4 House N°12

There are geometric outlines around the door of this house. What is their pattern?

5 The protestant temple

Which image corresponds to what is engraved above the door of this temple?

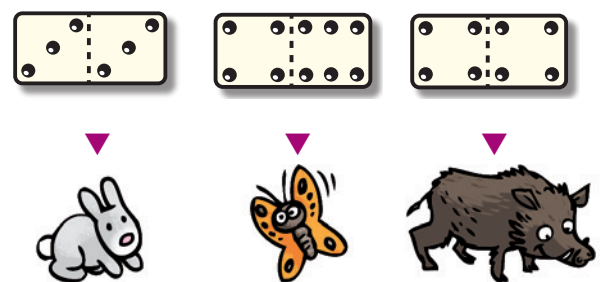

6 Bridge du Grès

What pot was used to paint the crosses that are hung on one side of the bridge?

7 The washhouse

Which domino corresponds to the number of pillars that support the washhouse roof?

8 The path

Which bark corresponds to the bark of the large trees along the road before the path?

RIDDLE

In this marshy territory, a tree is king. His wood was used on all occasions. For the manufacture of clogs, stakes or fences. It was also used to make tools. His oars were used as fodder to feed horses, rabbits and many other farm animals...

This tree is even the origin of a nickname given to the inhabitants.

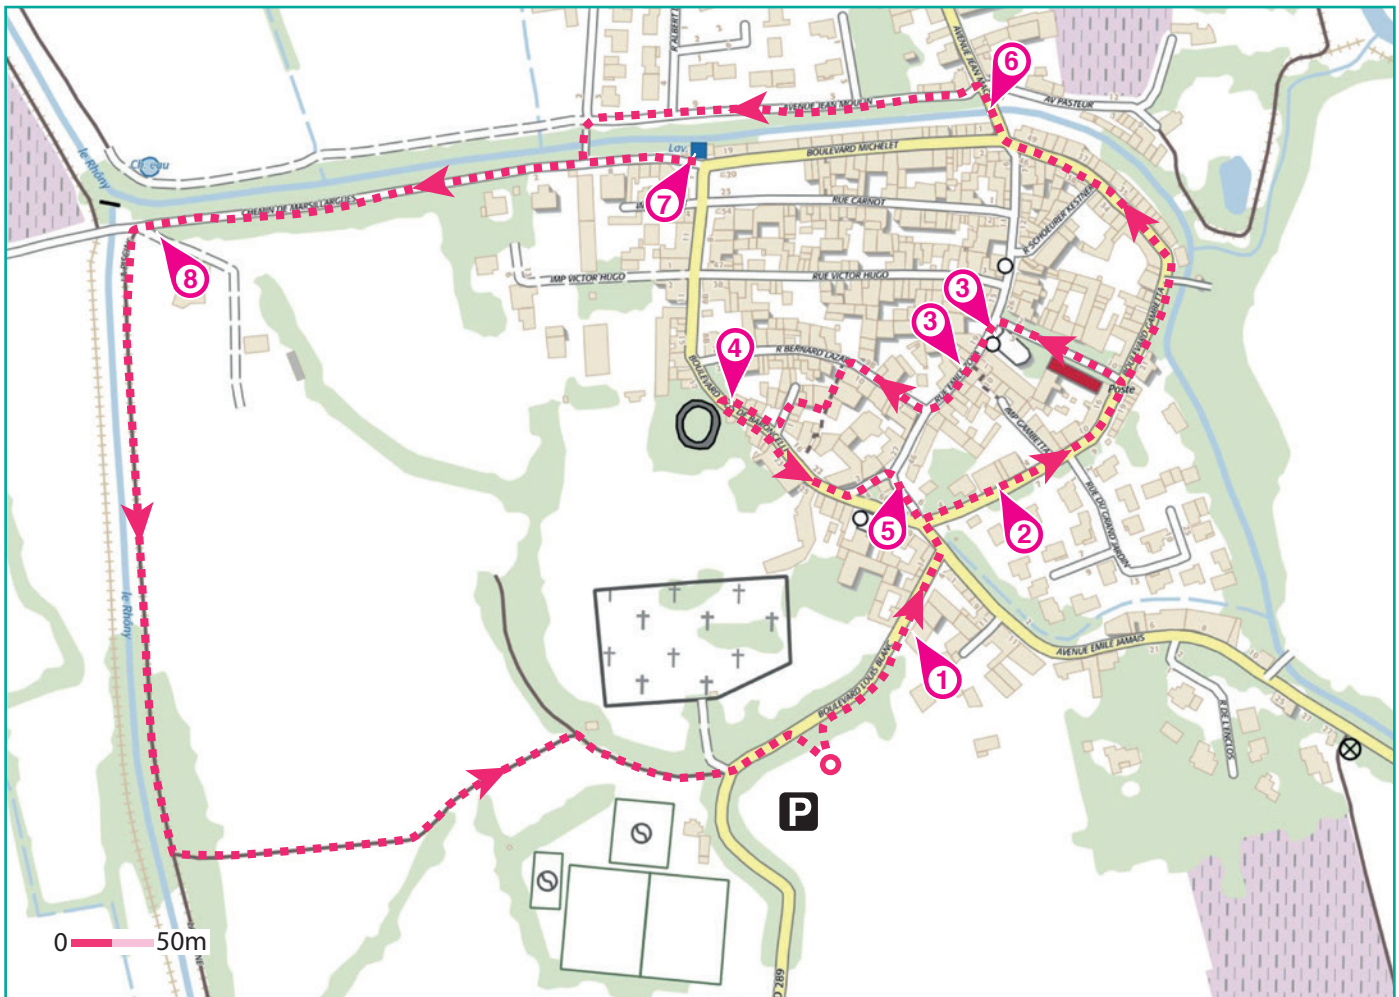

By answering Inspector Rando's tips, will you be able to find this strange nickname ?

You have the plan below.

At the location of the numbered dots, read the instructions that will help you solve the main enigma.

At the end of your walk, go to the Tourist Office or visit www.randoland.fr to check your answer.

For all the activities in this sheet, report in the table at the bottom of the page the answers found in the corresponding numbers.

1 Boulevard Louis Blanc, n° 12

Look for the date engraved above the light green gate. Sort the numbers in ascending order (from smallest to largest) in the boxes below.

□ < □ < □ < □

Write in **letters**, in the grid, the number of the blue box. Don't forget to translate it into French before you write it down.

2 Laperan hall

Friends discuss the facade of this room :

RAYHAN : There's a very nice fresco !

ARTHUR : I don't see the fresco and the facade is made of brick.

FATIMA : That's not true! It is made of stone.

Put the name of the one who is telling the truth in the grid.

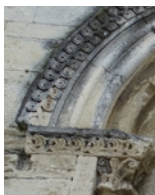

3 L'église

Children have sorted their photos, only one of them is from the front entrance of the church. Which one ?

CELIA

LUCIE

AMBRE

Put the first name of the one who is telling the truth in the grid.

4 La maison n° 12

In the list of geometric shapes below, cross out the ones you can see around the front door of this house.

STAR- CIRCLE - SQUARE

Put the one left in the grid back. Translate the word into French before you write it down.

5 Le temple protestant

Read the sentence on the door.

Note, in the grid, the fifth word of this sentence.

6 Le pont du Grès

Children have drawn a picture of the crosses that hang on one side of the bridge. Here they are :

FÉLIX

THONY

JADES

Now classify the letters of the first name of the one who made the right diagram, in alphabetical order.

Ex. : LÉA → AEL

Write your answer in the grid.

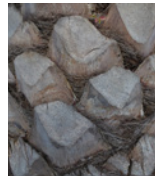

7 Le lavoir

How many basins are there in this washhouse ? If there were three laundries like this in the village. How many basins would there be ?

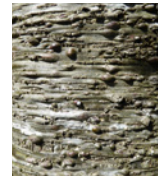

Write your answer, in **letters**, in the grid. Don't forget to translate the number into French before writing it down.

8 Le chemin

Which bark corresponds to the large trees that line the road before the road ?

PALMIER

DOUGLAS

PLATANE

Enter the name of the tree in the grid. In French.

Le Cailar

RIDDLE

Cailar is the grazing place for the emblematic Camargue bulls. Among the curiosities of the village there are also tombs of a particular character. Indeed, it is the cocardier bulls that rest there, the population of the village having decided to honour their quality of exceptional bravery during their participation in the Camargue races. The most visible is that of the bull Le Sanglier, the manade Fernand Granon (1920-30), who stands at the entrance to the village. There is another, more discreet one in the meadows. **With the help of the Rando Inspector, will you be able to find out which bull from the list below is being honored ?**

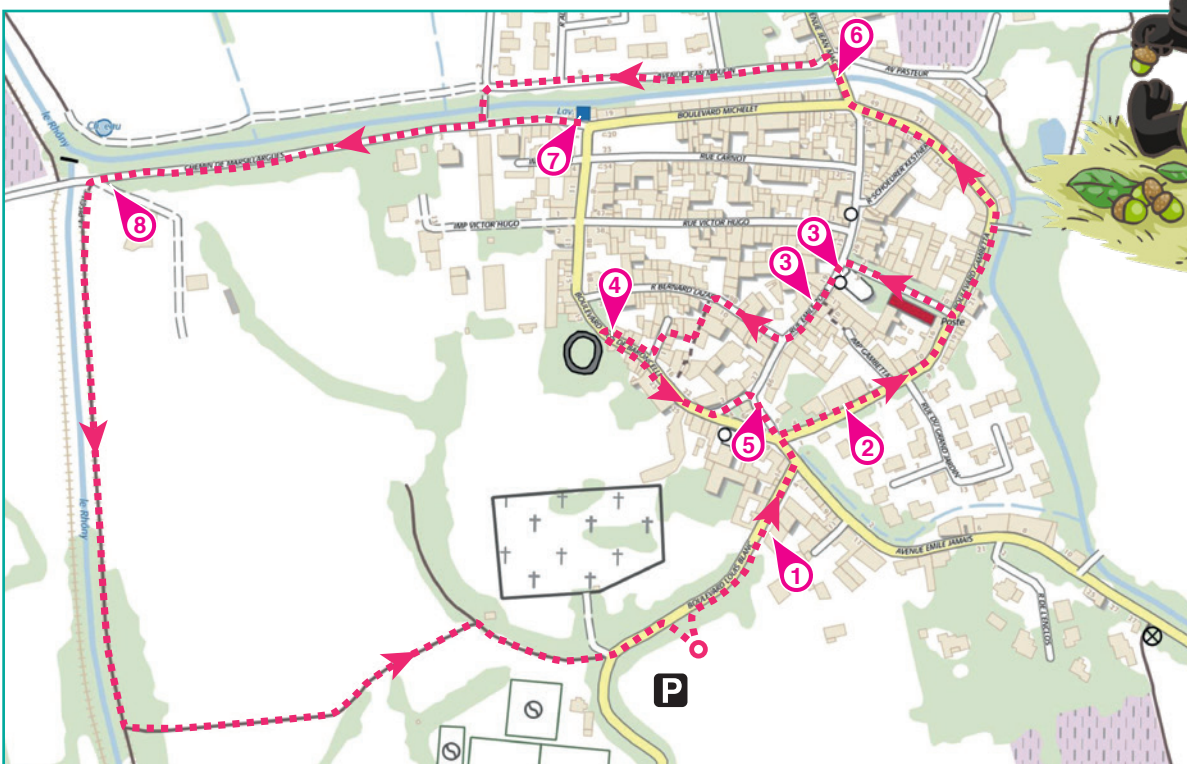

LIST OF BULLS

- ▶ **THE VIKING** of the Ricar manade - 1950s
- ▶ **THE BARBARE** of the Leron manade - 1920s
- ▶ **THE VALEUREUX** of the Rousseau Manade - 1980s
- ▶ **THE COSAQUE** of the Lafont manade - 1950s
- ▶ **THE GRIZZLY** of the Saumade manade - 1970s
- ▶ **THE GLADIATEUR** of the Thibaud manade - 1930s
- ▶ **THE SAUVAGE** of the Occitane manade - 1970s
- ▶ **THE BUFFLE** of the Martini manade - 1960s
- ▶ **THE TÊMÉRAIRE** of the Lautier manade - 1940s

You have the plan below.

At the location of the numbered dots, read the instructions that will allow you to solve the main riddle.

At the end of your walk, go to the Tourist Office or to www.randoland.fr to check your answer.

When passing in front of each of the indications, carefully read the information provided. They will allow you to solve the questions on the back of this page.

1 Boulevard Louis Blanc, n° 12

Look for the date engraved above the light green gate. Adds together all the numbers that make it up. Now replace your result with the corresponding alphabet letter.

Ex. : 2019 = 2 + 0 + 1 + 9 = 12 = L

The name of a single manade has this letter as its initial. The bull you are looking for did not come from it. You can remove it from the list.

2 Laperan hall

Here are some statements about this facade.

ISAAC : Faces are carved above the windows.

JULIE : A large fresco covers this windowless facade.

BERNARD : Its wall is made of stone, there is a solar cardan in an old window.

The name of a single bull rhymes with the first name of the one who is telling the truth. He is not yet the one you are looking for. You can cross it off.

3 L'église

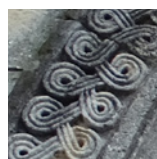

Watch carefully! Among these photos, only one comes from a detail near the entrance of the church. Which one ?

TAULIER

CRIARD

AMADEUS

The name of a single manad is an anagram of the word written under the correct picture. The bull sought did not come from it. You can scratch it.

Ex. : an anagram of SPACE is PACES

4 La maison n° 12

Multiplies by 3 the number of squares which frame the door of this house. Add 4 to your calculation. What is your result ?

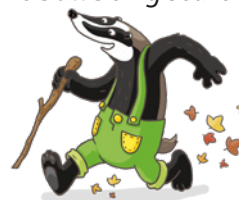

The bull we're looking for doesn't date back to his years.

5 Le temple protestant

What object is carved above the door of the temple? Write your answer in the boxes below :

Four boxes for writing an answer, the second box is highlighted in blue.

The letter of the blue box is not present in the name of the bull being searched.

6 Le pont du Grès

Which design corresponds to the crosses hanging on on one side of the bridge ?

985 x 2

990 x 2

980 x 2

Solve the operation noted under the correct drawing.

The bull we're looking for doesn't date back to his years.

7 Le lavoir

How many basins do you have in the wash-house ?

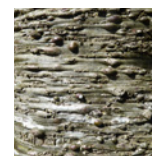

Among the remaining ones, the name (without the article) of a only bull has a multiple number of letters of your answer. He's still not the one you search !

8 Le chemin

Which bark corresponds to the large trees that along the road before the path ?

PALMIER

DOUGLAS

PLATANE

The name of the manade of the sought-after bull doesn't rhyme with the name of that tree.

You should have found the **Circuit n° 3005901G** right bull !
