The Camargue Gardoise, a land with two labels under its belt

On a national level

The Camargue Gardoise became the 14th area to be awarded the **Grand Site de France** label on January 14th by the Minister in charge of Ecology and Sustainable Development. We earned the label for the importance of our wetlands and in recognition of their protection and promotion.

On a regional level

The Camargue Gardoise was awarded the **Grand Site Occitanie/Sud de France** label for its outstanding and world-famous natural, cultural and historical heritage.

Tourist tax

It is received by all accommodation-providers in the Cœur de Petite Camargue area: hotels, furnished accommodation, holiday camps, campsites, guesthouses, marinas, etc. The rate is calculated on the basis of the accommodation rating, the length of stay and the number of people staying in the accommodation. Exemptions are given for visitors under 18s, for example. Tourist tax rates and exemptions must be displayed by accommodation providers. It is also mandatory for them to collect the tax from clients. The proceeds help to fund tourism development in our five municipal areas. For more information, please contact the Tourism Office.
